

# Create a b.CON Account

1 Click "Register"

2 Fill in your forename, surname, and your mail address

The image shows a desktop view of a registration form titled "Register" for the "bcon" brand. The form consists of several input fields: "Forename" and "Surname" (two separate rounded rectangular boxes), "E-mail Address" (a single rounded rectangular box), "Confirmation" (a rounded rectangular box with a teal "send" button to its right), and "Password" (a rounded rectangular box). The "bcon" logo is visible at the top of the form area.

3 Type in your password

The image shows a mobile phone view of the same registration form. The form is titled "Register" and is displayed on a screen with a black header containing the "bcon" logo. The input fields are: "Aqua" and "Pererfekt" (two separate rounded rectangular boxes), "office@aquaperfekt.de" (a rounded rectangular box), a rounded rectangular box with a teal "23秒" button to its right, and a rounded rectangular box containing "....." with a cursor. A standard QWERTY keyboard is visible at the bottom of the screen.

**4** Repeat your password

**5** To receive a verification code Click "send"

6 Type in the confirmation code received in the email provided

The screenshot shows a mobile registration form titled "register". It features several input fields: two buttons labeled "Aqua" and "Pererfekt" at the top; an email field containing "office@aquaperfekt.de"; a verification code field with "364983" and a progress indicator showing "34秒" (34 seconds) remaining; a "Password" field; and a "Confirm Password" field. A teal "Register" button is partially visible at the bottom.

7 Click "Register"

This screenshot shows the same registration form as above, but with the teal "Register" button highlighted. Below the button, there is a link that says "Do you already have an account? [Sign in](#)". The verification code field now shows "364983" with a progress indicator of "14秒" (14 seconds). The password and confirm password fields are filled with dots. The Android navigation bar is visible at the bottom.
